Rebecca's Custom Made Historical Clothing

If you are tired of that "off the rack" fit & looking for something tailor made to fit you, please contact Rebecca and let her know what you would like to have made. Purchasing your own fabric is encouraged and prices vary per project and materials. Allow 12 weeks for delivery.

We aim to Please!

We have found that folks like to add special features to their tent to meet their needs. If you would like something that you do not see here on our price sheets, please submit your drawing via email. We will be happy to work up a quote for your next tent

Repairs

While new tent orders are our first priority, We also can make the necessary repairs to your tent or fly. Regardless the make of tent. We ask that the tent be clean (no leaves and grass) and dry when we receive it or a table cleaning fee of \$75 will be added to the bill.

Costs vary per project and materials.

Shop hourly rate is \$45.00

We only use the Best Materials

Every one of our shelters is seam engineered and constructed with structural integrity in mind. Standard features as full Sod Cloth (aka Mud Flaps), an overlapping door, full ridge reinforcement with ties and all corners reinforced. We only use CPAI-84 Fire Rated 10.38 oz. Sunforger Boatshrunk canvas.

Unlike our competition, When you decide to order one of our Spring Valley Lodges tents, the tent size that you purchase will be within +/- 2" of the finished size that you will receive.

We realize that some of our lead times might be a little longer than our competition. This is greatly due to the attention to detail necessary to ensure that you will love your new tent for many, many years to come.

Pricing Valid Through 03/31/22

All Spring Valley Lodges shelters are guaranteed to the original purchaser. Our materials are guaranteed for three years.

Workmanship carries a lifetime guarantee.

Spring Valley Lodges assumes no responsibility for damage due to neglect or an Act of God. (ie. High winds or mildew) We would however be happy to aid you in the restoration of your lodge as affordably as possible.

Spring Valley Lodges' policy of continual attention to detail and construction sometimes requires that revisions may be necessary during the process. Spring Valley Lodges reserves the right to make these revisions as deemed necessary. Exact dimensions and pricing are subject to change without notice.

We also guarantee that our friendly and personal customer service will be the best you'll ever receive anywhere.
